And What Have You

By BOB CRAIG

Today will be a big day in Hamlin, one that the whole family can enjoy. It will open up with a big old fashioned sidewalk sale with money-saving values that should please everybody. Then there will be the rodeo parade in the afternoon with some of the best riding clubs in this area taking part. And of course the evening will be topped off with the first performance of the Hamlin Riding Club's rodeo with some of the top amateur contestants from all over West Texas taking part.

It will be one of those days where you can just come to town and spend the day shopping and having a good time. If the kids get hot and tired before time for the parade you can take them out to the pool for a cool, refreshing swim. You might even pack a lunch and have a picnic in the park.

Speaking of rodeos — did you ever wonder why riding clubs and other organizations all over West Texas put on rodeos every year? Since we were unfortunately enough to be chairman of a Jaycee rodeo a number of years ago let me assure you that it is not to make money. Because if each member of the club were to donate a dollar or two apiece the clubs would be ahead financially.

These people just like rodeos, horses, animals and the chance to get together. In fact they like it well enough that they are willing to work for several weeks before the show and then work for three nights during the show and then for several days after it is over to clean up. Then you can add the fact that they must guarantee the rodeo producer about \$1400 and pay out another \$200 or so to the announcer and the judges. All of this must be paid whether or not anybody shows up and regardless of the weather.

Even if you don't care for rodeos it would be worth the price of admission just to see all of these people working for free.

The Texas Legislature has adjourned and many are still arguing whether or not it was a good session. It passed several good laws that have been long over due, including a set of traffic laws designed to check the state's escalating traffic accident rate.

But the state does not seem to be much closer to a revision of its antiquated constitution. And this session, like most of the sessions before it, is trying to put some more patches on the worn out frame work. The voters will be asked to vote on six changes this fall — November 11. And on 14 next year in the general election.

We suppose that there is a reason why the six will be voted on this fall even though it is not an election year and will require a special election.

Because of our restrictive type constitution, most of the amendments submitted to the voters could just as well be handled by the legislature. An example of this is one that will be voted on this fall that would authorize counties to pay medical, doctor and hospital bills of county law enforcement officers injured in the line of duty. If you are like we are you probably thought that this was already taken care of in one form or another.

One of the acts of the Legislature that will affect us in Jones County is the redistricting that puts us in the same district with Taylor County. We are ahead of the game as far as the present set up in that we will vote on two representatives but are still in the position of being a minority voice because of the size of Taylor County.

For the most part we will probably come out all right under this new set up. The only drawback is that it will be very hard for a person from this county to swing enough votes in Taylor to get elected.

School Superintendent C. F. Cook predicted this week that the new teacher's pay raise passed by the legislature will cost the Hamlin District about \$12,000. This is based on our paying 30 percent of the raise and the state paying 70 percent.

Nine Girls Vie for Queen

Nine girls have entered the Queen's Contest being held during the annual amateur rodeo sponsored by the Hamlin Riding Club. The contestant will ride in the parade, dress in western attire and participate in the grand entry each night. They will

also be introduced in the arena.

The queen will receive a belt buckle and be presented with a bouquet Saturday evening. Second and third place winners will be presented gift certificates.

The girls, their sponsors

and the horses they will be riding are as follows: Reta Oliver, Oliver Oil, Jo; Diana Crowley, Howard Drug, Candy Bar; Debbie Elmore, Elmore's Western, Snip; Teresa Gabriel, Sharlot's Beauty Shop, Billy; Patricia Feagan, Waggoner Drug, Blue; Marsha Hester, Smith & Son's Custom Combining, Higgins; Cheryl Gibson, Montgomery Ward, Blackway; Judy Jenkins, Bryant's Insurance Agency, Little Caesar; Jimmie Lou Bishop, Bishop's Flowers, Mollie.

Mrs. Ben Turner and Mrs. Kenneth Riddle are in charge of the Queen's Contest.

Local FFA Scores High At Area Convention

Hamlin scored high at the Area II FFA Convention held in San Angelo last weekend at Central High School. Five local FFA members, Bob Clifton, Randy George, John Hix, Bill Hodnett, and Gil Lain, along with chapter advisor, Milburn Wink attended.

Gil Lain was selected the Star Chapter Farmer for Area II and will represent the Area II Association in the state contest at Dallas this week. The Star Chapter Farmer Award goes to the most outstanding second year student of vocational agriculture. Previously, Gil had been named Star Chapter Farmer of the Hamlin FFA

Chapter and the Stamford FFA District.

The Hamlin FFA Chapter placed second in the National Chapter Rating Contest in the area. The Hamlin Chapter will be one of three chapters to represent Area II in the state level on this contest.

Bill Hodnett was runner-up for the Star Green Hand of the Area II Association.

Randy George's application for the Lone Star Farmer Degree was approved at the convention also. Only two percent of the members of Area II are eligible for the Lone Star Farmer Degree.

Other Hamlin honors at the convention included the selection of the Hamlin Herald as the winner of the TVATA's Newspaper award. This award is given to the newspaper in the area that best serves the interest of vocational agriculture and FFA work in the area. T. C. Blankinship will receive the teacher award for working with newspapers. Milburn Wink was selected the outstanding district public relations chairman of the Area.

Chicken Supper

A fried chicken supper sponsored by the Little League will be held Saturday, June 17, from 6 to 8 p.m. in the primary cafeteria.

Tickets will go on sale this weekend. They will be \$1 each.

Library Open

Mrs. Joe Youngblood, Hamlin High School librarian, has announced that the library will be opened every Wednesday morning from 9 to 11 beginning June 14.

J. C. Farmer Bitten by Rabid Coon Sunday

J. C. Farmer was bitten by a rabid coon at his home on the Chittendon Ranch about 3 a.m. Sunday morning.

Farmer was disturbed by the dogs and got to the porch just as the coon got loose from the dogs. The coon came onto the porch, ran past him and doubled back and bit him on the leg. Farmer had to choke the coon to get him loose.

Monday afternoon he took the coon to Austin and received a positive report Wednesday that the coon was rabid. Farmer started getting the series of rabies shots Wednesday afternoon.

When he was four years old Farmer was bitten by a rabid cat and spent 21 days in Austin taking shots.

C-H&R Garage Grand Opening Starts Today

The grand opening of C-H & R Garage, independently owned by Claude Brafford, Harvey Lawlis and Rex Brafford, will be held Thursday and Friday.

The garage at 152 S. Central will be open from 8 a.m. to 8 p.m. during the grand opening observance.

Mr. and Mrs. Tim Jones and children, Vellanne and Tracy Rowland, returned home last Tuesday after vacationing in New Mexico and Colorado.

A big rodeo weekend will get underway here today, opening with a sidewalk sale by local merchants. The downtown parade at 5 p.m. will herald the opening of the three day rodeo sponsored by the Hamlin Riding Club to be held in the riding club arena on the Aspermont highway.

Merchants are running special features during the sidewalk sale today.

Riding clubs from throughout the area are expected. Also a wide variety of entries are anticipated for the parade, according to Mrs. Boyd Gibson, chairman.

Entries from contestants received by Wednesday morning indicated that the bull riding, bronc riding and barrel racing were leading the list. The bull riding event for Saturday evening was filled by Tuesday.

Special events for the youngsters have been planned. All that is needed for a youngster to enter is an admission ticket. The events include the flag race for 12 years and under; calf scramble, 6 to

12 years; and calf scramble 6 years and under. Belt buckles will go to the winners each night.

Other events are bareback riding, calf roping, calf roping for 50 years and older, barrel race, ribbon roping and bull riding.

The Queen's Contest for teenage girls will be held again this year. The winner will be presented a silver buckle and a bouquet and she will represent the Riding Club at events in the area. Jayne Turner is reigning queen. She was selected at the rodeo last year.

The rodeo performance opens each evening with a grand entry at 8 p.m. The trophies will be presented to the winning riding clubs in the parade at the performance tonight.

Billy McIlwain, Don Elmore and Boyd Gibson are members of the steering committee for the show.

Jno. Howard Jr. Hospitalized After Wreck

Jno. V. Howard Jr., local grocery store owner, was seriously injured Friday 6 miles west of Hamlin on Texas Highway 92. The accident occurred about 11 a.m. as he was delivering groceries to the John D. Ferguson home.

Howard was traveling west and was turning into the Ferguson drive when struck by a car driven by Tim Jones of Aspermont. The right front of the car collided with the right side of the panel wagon. Howard was thrown through the front windshield of his vehicle.

Both vehicles were a total loss. Walter Wood of Roby, Highway patrolman, investigated the accident.

Jones was treated at the Hamlin Memorial Hospital for cuts about the head.

Howard was treated here and transferred to Hendricks Memorial Hospital where he is reported to be improving. He suffered lacerations about the head, more seriously on the right side, lacerations to the tongue, deep bruises about the shoulders and down the spine, cuts on the right leg, and two cracked ribs.

His wife said Wednesday that he seemed to be doing fine although tests were still being taken.

LOCAL GROCER INJURED — Jno. V. Howard Jr. was thrown from his delivery truck by the impact of a two-vehicle collision 6 miles west of here on the Rotan highway Friday about 11 a.m. Tim Jones of Aspermont, driver of the four door sedan, travelling east was

treated for lacerations at Hamlin Memorial Hospital. Howard sustained multiple lacerations, bruises and some cracked ribs. He was treated here and then taken to Hendrick Hospital in Abilene where he is still a patient.

Husband of McCaulley Woman Receives National Recognition

MIAMI, Fla. — Lieutenant Colonel Charles E. Dobbs of 340 Merkle Drive, Norman, Okla., professor of aerospace studies at the University of Oklahoma, has received national recognition for his leadership in the Air Force Reserve Officers Training Corps program.

Colonel Dobbs was honored and presented an Arnold Air Society (AAS) award during the society's 19th national conclave just concluded in Miami.

The colonel, son of Mrs. Dora N. Dobbs of 1412 S. Newport, Tulsa, Okla., was cited for distinguished service with the AFROTC detachment at OU and for his superior contribution to aerospace education and national security.

The AAS, named for the late General of the Air Force H. H. "Hap" Arnold, is the honorary professional organization for outstanding AFROTC cadets.

During the conclave, more than 1,000 cadets from 170 colleges and universities met to discuss the AAS program for the coming year and to hear addresses by top level aerospace leaders. Dignitaries attending included

William White In Navy Exercise

Fireman William H. White III, USN, son of Mr. and Mrs. W. H. White Jr. of 316 N. W. Ave. C., took part in the underway Naval training exercise "Blue Coral" off the southern California coast, as a crewmember of the ocean minesweeper USS Inflict.

Blue Coral, the second major fleet exercise conducted this year by the U. S. First Fleet, refined the techniques of surface-to-surface and surface-to-air warfare, as well as detection and destruction of subsurface craft. Some 21 air units and 25 ships participated in the week-long exercise.

516,373 surgical bills resulted in Medicare's paying an average of \$137 per bill.

Swine Short Course Set Here In Ag Building

A swine short course for adult farmers will be held June 12-15 under the sponsorship of the Hamlin High School Vocational Agriculture Department, according to C. F. Cook, Superintendent and Milburn Wink and T. C. Blankinship. Teachers of Vocational Agriculture.

Joe Tocquigny, Swine Specialist with the Vocational Agriculture Division of the Texas Education Agency and the Department of Animal Science at Texas A&M University will teach the course. He is headquartered at Texas A&M University. Tocquigny holds a B. S. Degree in Agricultural Education from Texas A&I College, and a M. S. Degree in Agriculture from Texas A&I. He was a purebred breeder and commercial feeder for ten years. Prior to joining the Specialist Pro-

gram in 1963, he taught vocational agriculture at Weslaco.

"More than 60 Swine Short Courses in various parts of the state have been taught by Mr. Tocquigny and all have met with outstanding success," according to Hulan Harris, area supervisor of vocational agriculture Big Spring, Texas. Arrangements for the adult education short course in swine husbandry and in other fields are made through Mr. Harris' office.

The short course at Hamlin is scheduled to begin June 12 at 8:30 p.m. in the vocational agriculture building. Other meetings in the series will be held June 13, 14, and 15. During the dates the short course is in progress, Tocquigny will be available to assist producers with individual problems and to provide on-the-farm instruc-

JOE TOCQUIGNY
... to conduct course

tion, according to Wink and Blankinship.

Anyone wanting additional information regarding the short course can contact Mr. Blankinship or Wink or C. F. Cook, Superintendent of Schools. Swine Production Short Course Certificates are to be presented to each par-

ticipant who attends all the training sessions. An enrollment fee of \$2.00 will be charged.

Mr. Tocquigny states that the short course will be adjusted to wishes and interests of farmers enrolled, but that he expects to cover methods of improving feed conversion, raising better pigs, providing economical housings and equipment and a management program.

"Short courses in Swine Production, as well as in other areas, are now available to farmers throughout the state under the cooperative program between the Texas Education Agency and Texas A&M University," stated Bob Jaska, Associate Professor, Department of Agricultural Education at Texas A&M University, who coordinates the program.

"This cooperative program," states Jaska, "is designed to make the services of specialists available to conduct short courses under the supervision of public schools. Such a program will enable teachers of vocational agriculture to provide improved education services to farm people."

Specialists are now available in the fields of beef production, insect control, farm management, farm electrification, farm (are) welding, swine production, tractor maintenance, dairy science, pasture and oxyacetylene welding.

Mother Dies In California Sunday

Mrs. Ethel Kitchen, 74, mother of John Dale Kitchen of Hamlin, died Sunday night in Chico, Calif. She had been in ill health for some time and was blind. She died in the Beverly Manor Convalescent Hospital.

Services will be held today in Chico. She was born Feb. 5, 1893, in Oklahoma and lived most of her life there before moving to California in 1949.

Fort Griffin Fandangle Sets Six Night Shows, Starting June 15

The 1967 edition of the Fort Griffin Fandangle will be presented in the Prairie Theatre in Albany, Texas, on June 15, 16 17-22, 23, 24. Beginning at 8:45 p.m. on Thursday, Friday, and Saturday nights of the two consecutive weekends, the Fandangle will again evoke for its audiences the look and feel of days long since past.

This year's Fandangle will celebrate the centennial of the founding of Fort Griffin. Ruins of the fort are located on a state park just north of Albany. During the brief span of years from 1867 until 1881, soldiers stationed at Fort Griffin participated in the last of the great drives to rid Western Texas of the Indian menace. Both the Fort and the town which sprang up beneath the hill on which it stood played an integral part in frontier history. It is from this history that the Fandangle derives the events and legends it interprets through song and dance and play-acting.

Each year the Fandangle is different, presenting new songs, new action and new dramatic surprises. This year, to feature Fort Griffin, an

entire street scene of life-sized store fronts and buildings have been designed by Alice Reynolds, Fandangle Music Director. The sets have been mounted on tractors and will be driven on the stage to recreate the exciting times when Fort Griffin was the largest town west of Fort Worth.

The Fandangle is presented in its own especially designed outdoor theatre. Carved from one of the hills which surround Albany, the theatre is a natural setting for the telling of ranch country heritage. Ticket prices, all seats reserved, are \$5.00 for box seats; \$3.50 for chair seats, center section; \$2.00 for chair seats, side sections; and \$1.50 for bleacher seats across the top row of the theatre. Fandangle opening night, June 15, has been designated "Kissin' Kin" night. For this one night only, a reduced scale of ticket prices is available. Box seats will be \$4.00; \$3.50 chair seats will be \$2.75; \$2.00 chair seats will be \$1.50, and \$1.50 bleacher seats will be \$1.00.

Tickets may be purchased at the Fandangle Office in Albany.

Jones, Shackelford County Cotton Farmers Form Organization

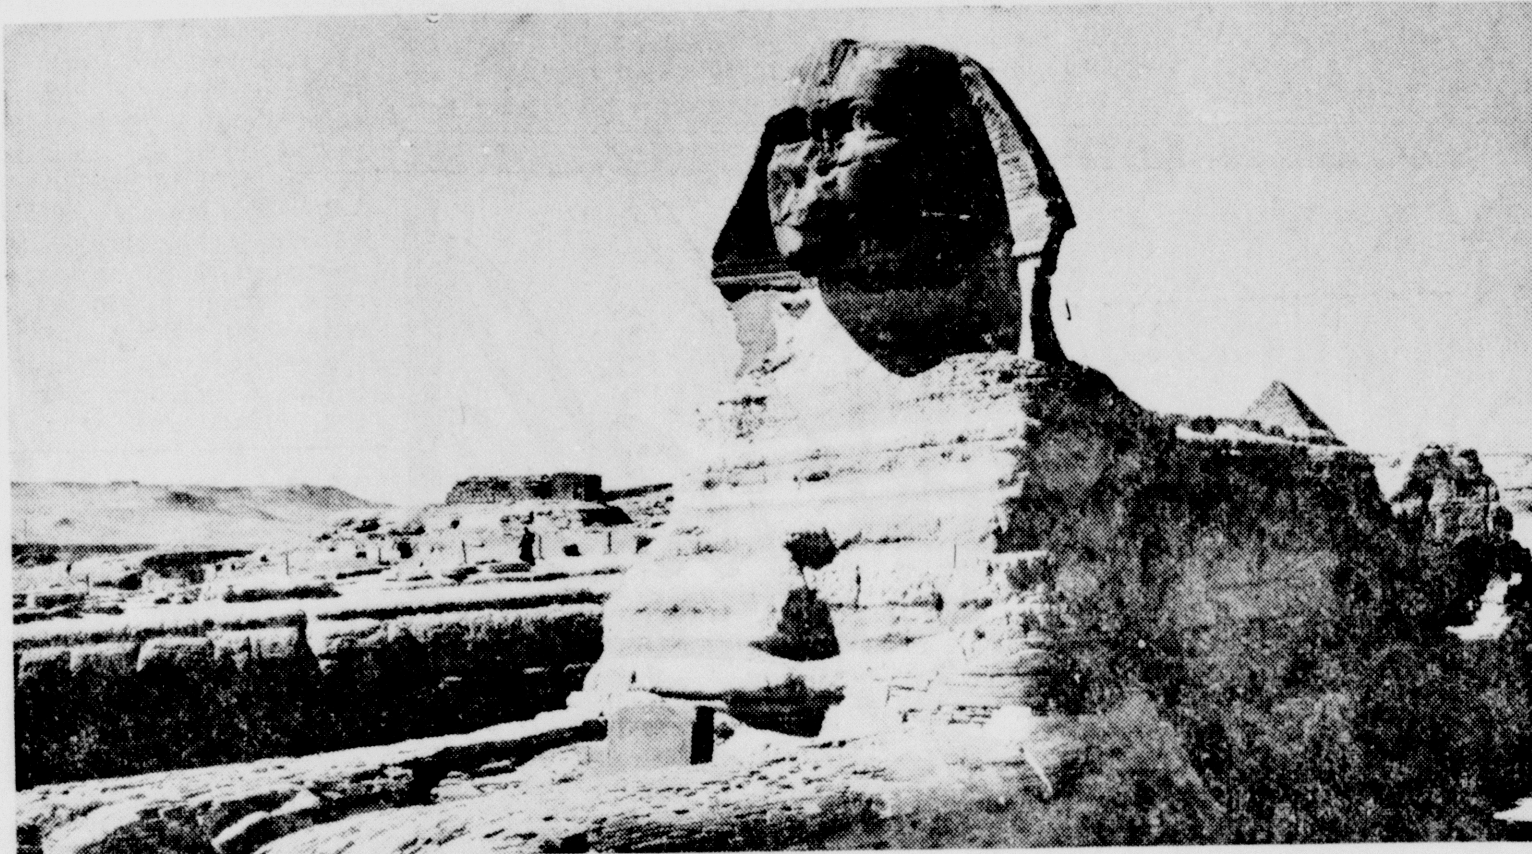

Darryl Schoonmaker, Young Farmer in the Ericksdahl Community, was elected President of the newly formed Jones - Shackelford County Cotton Improvement Association in a meeting held in Stamford

Other officers elected were Kenneth Hansen, Shackelford County farmer, Vice President, and Linton Moss, Corinth Community farmer and gin manager, Secretary - Treasurer.

The meeting was well attended by some 25 cotton farmers and gin managers from the two county area. "Concern about the future of cotton in the area and a growing belief that the future can be greatly improved

by an organized effort working toward definite goals is the main reason for the creation of the new organization," said Schoonmaker. "We hope to carry out an aggressive effort to bring about a new spirit of cooperation and a willingness to work together on the part of our farmers", continued Schoonmaker, "and, at the same time, we want to work for a closer relationship with our business men and women".

At the meeting it was unanimously agreed that the newly formed organization would work closely with the Rolling Plains Cotton Growers, an areawide organization with the same purpose and objectives.

Take a weekend trip with the money you save on Gas Air Conditioning.

Well . . . maybe your savings on gas air conditioning won't get you to the Sphinx, but they will mount up. Because one of the main advantages of gas air conditioning is economy. It costs you less to use. It costs less in maintenance, too. Gas air conditioners are built better.

They last longer, and there are fewer moving parts to wear out. And Lone Star offers special summer rates for cooling. To get the details on this high quality equipment for your home, call your air conditioning contractor or LONE STAR GAS for a free estimate.

Dear Motorist,

On June 8th and 9th, C-H&R Garage, is holding a GRAND OPENING AND SERVICE CLINIC, which will be conducted by specially trained Sun service technicians. These men will thoroughly check your car, COMPLETELY FREE OF CHARGE TO YOU, and give you the complete results of their inspection. Items will be checked for SAFETY, DEPENDABILITY, AND PERFORMANCE. All machinery requires a certain amount of maintenance, and you have a right to know if your car is mechanically sound. This is your chance to have your car inspected by factory specialists, who use only the most MODERN EQUIPMENT, free of charge or obligation.

The information you receive will save you time, money, and worry. It will eliminate costly, unexpected breakdowns; will insure the safety of your car, and enable you to have any necessary repairs made, at your convenience.

We invite you to bring your car into C-H&R Garage between the hours of 8:00 a.m. to 8:00 p.m., on June 8th or 9th. While your car is going through the Inspection Station, you will have time to enjoy FREE Cokes, coffee, and donuts with us.

We are looking forward to the pleasure of serving you.

Sincerely yours,

Sylvester News...

By Mrs. R. M. Babb
Combining is almost over; some are plowing cotton that is already up and others are getting ready to plant. Just every one was very busy this Monday morning and seemingly glad to be alive.

We still have some in the hospitals. Mrs. Melvin Thompson is still in Hamlin Hospital, but improving after a set back last Thursday. Mrs. Roy Heron is coming home today and will bring with her their new daughter, Sabrina Leigh, 7 lb. 3 oz. Sabrina was born May 31 at 6:10 a.m.

I walked into the hospital Sunday night and found Mrs. Ross Douglas had been chasing cows, yep you guessed it she tripped over a fallen tree and tore a large hole in her left leg and bruised her chin. She was quite sore and of course I tried to tell her she is like some more I could name we are getting a little too old to be doing those kinds of things, but truly hope she will be fine.

Mrs. C. B. Lambert is doing well after heart surgery in Galveston last week. Our best to her.

Mrs. Stella McCollom was to enter Hendrick Memorial and have a pin put in her hip.

Mr. and Mrs. Arch Griffin and Mrs. Thurmond Douglas drove to Okla. City last week and Mrs. Griffin had a check up. She was to enter the hospital there today for surgery.

The Kenneth Leverett family was called to Abilene on Saturday after the sudden death of Mrs. Leverett's step-grandfather, J. E. Bagley.

Mrs. Ella Scott is living now with the Charles Scott's in their home here. She spent

the winter months in Holiday Lodge in Hamlin.

Mr. and Mrs. Faye Dozier drove to Portales, N.M. last week to attend the graduating exercises of their daughter, Mrs. Phil Murphey. She received her Master's Degree. She is a teacher in the Portales School system.

Mrs. Allie Ward returned to Hamlin over the weekend having spent several days here just returning from a visit with her youngest daughter in Mississippi.

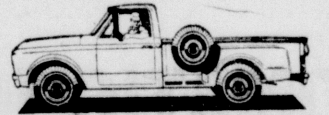

The Waldo Gatewoods and Melissa Hardwick attended a lectureship at Lubbock Christian College this week.

Mrs. Cecil Kiser injured her foot when she stepped on some glass.

WELCOME RODEO CONTESTANTS AND VISITORS TO THE RODEO

Three Local Youths To Attend Camp Hoblitzelle Sun.

Three excited Hamlin youngsters can hardly wait till Sunday when they'll arrive at The Salvation Army's Camp Hoblitzelle at Midlothian, Texas for a whole week of outdoor fun.

They'll enjoy swimming, boating, water-skiing, horse-back riding, archery and many other supervised indoor and outdoor activities.

Camp Chairman Mrs. W. W. Wallace said the boys are Terry Neal, son of Mr. and Mrs. Doc Neal; Tommy Joe Hartley, son of Mrs. Valeta Hartley; and Dale Ward, son of Mrs. Shirley Ward. They were selected by the Hamlin Salvation Army Service Unit Committee.

The Hamlin boys will go by bus, leaving from Abilene.

The Salvation Army operates the camp for the benefit of youngsters who would not otherwise have the opportunity to enjoy camp life.

Stepfather Dies In Abilene Sat.

Rev. J. E. Bagley, 71, died at his home in Abilene of an apparent heart attack Saturday at 5 p.m. He was the stepfather of Stanley Jackson of Nienda. A step granddaughter, Mrs. Kenneth Leverett, lives at Sylvester.

Funeral services were held Tuesday at Kiker-Warren Chapel and burial was in Charloft Cemetery Southwest of San Antonio.

Bridge Winners

Winners at Hamlin Duplicate Bridge Club Tuesday evening were Mrs. Henry Albritton and Mrs. Ron Buie, first; Mrs. Nat Wash and Mrs. Howard Overby, both of Stamford, second and Mrs. Holly Toler and Mrs. Bill Comegys, third.

The club meets on Tuesday evenings at 7:30 p.m. in the Jaycee Community Building.

Mrs. Gloria Jenkins Jarosz received a bachelor of science in art education from Hardin-Simmons University. A graduate of Hamlin High School, she is the daughter of Mr. and Mrs. E. N. Jenkins.

An ordinance entitled an ordinance to regulate the driving of an automobile or other motor vehicles in a reckless, unsafe or irregular manner within the limits of the City of Hamlin, Jones County, Texas and providing a penalty.

Be it ordained by the City Council of the City of Hamlin, Jones County, Texas that it shall hereafter be unlawful for any owner, operator, or any person to drive or operate any vehicle in an unsafe, reckless or irregular manner in the limits of the City of Hamlin, Jones County, Texas.

No person in charge of an automobile or motor vehicle on any Avenue, Street or Driveway in the City of Hamlin, shall drive the same in any manner in which it might endanger, confuse or mislead the operator of any other vehicle or pedestrian, or endanger the rights, life or property of others or themselves.

It shall be unlawful to drive on any street, alley or driveway within the limits of the City of Hamlin at any rate of speed that is unsafe for existing conditions.

It shall be unlawful to create driving hazards such as by spinning out from a slow speed or stop position either from the street, alley, driveway or parking area.

Every person who drives any vehicle in a wilful or wanton disregard of the rights and safety of others or at a speed or in a manner so as to endanger or be likely to endanger a person or property shall be guilty of reckless driving and shall be fined in an amount not less than Ten Dollars (\$10.00) and not more than One Hundred Dollars (\$100.00).

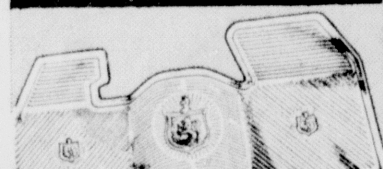

All laws and or parts of laws now in force in conflict with the above and foregoing Ordinance shall be and are hereby repealed.

Declaring an emergency, passed and approved by unanimous vote this the 15th day of May, 1967.

"GET SOMETHING EXTRA" DURING GENERAL ELECTRIC'S 10th ANNUAL Trainload SALE!

For the tenth year in a row — here comes the General Electric appliance train! It's loaded with GE refrigerators, freezers, color TV's, washers, dryers, air conditioners and other major items for your kitchen and/or home entertainment. At big savings for you. Here's why:

GE is the only major manufacturer which makes all its appliances at one location — Louisville, Kentucky. Each year at the start of the summer season the Southwest Distributor assembles at the factory a large selection of special production models, plus some closeouts and discontinued models. These are ordered by dealers in the Southwest at savings from regular prices. Because direct-to-dealer rail cars are used, additional savings in freight, warehousing, handling and paperwork are made.

During the trainload sale event, all these savings are passed on to you — as much as \$80.00 on some items!

Naturally, there is a limited supply of some models. So don't delay — if you plan to buy a major appliance, color TV or stereo, soon, shop these bargains today.
